Summary

Believe this

It is an event in the past, in dusty flat dry area, in a place where such a thing has been perpetrated on several occasions. Inside - Do not believe this is Terry - Wellcome, Beechley? People in white is standing guard by the exit.

For the

Associated with the place in the recent past is a man. He was sick, tired, very sad & had a feeling of hopelessness. His eyes are ^{hollow} deeply inset & are tired, & sad. He is very very thin (AOL POW/unc. comp. victim).

Yesterday or the day before he was killed and knew he was about to die & was sad / horrified & filled with hopelessness. Those who killed him believed he deserved to die. (AOL: unc. crines)
