6

A. hard

Slowing down  
movement

Coming across  
meeting upward  
Smooth

B. structure.

and a bordering element  
is very important.

7

Land

- coming down 1
- hard 8
- straight 11
- curving 6
- paralleling 7
- flat 10
- going up 2
- spread out 3
- moving upward 4
- coming across 5
- smooth 9

Structures

- coming down 1
- paralleling 4
- straight 6
- hard 7
- curving 5
- movement
- coming across 2
- meeting upward 3
- smooth 8
- slowing down 9

water

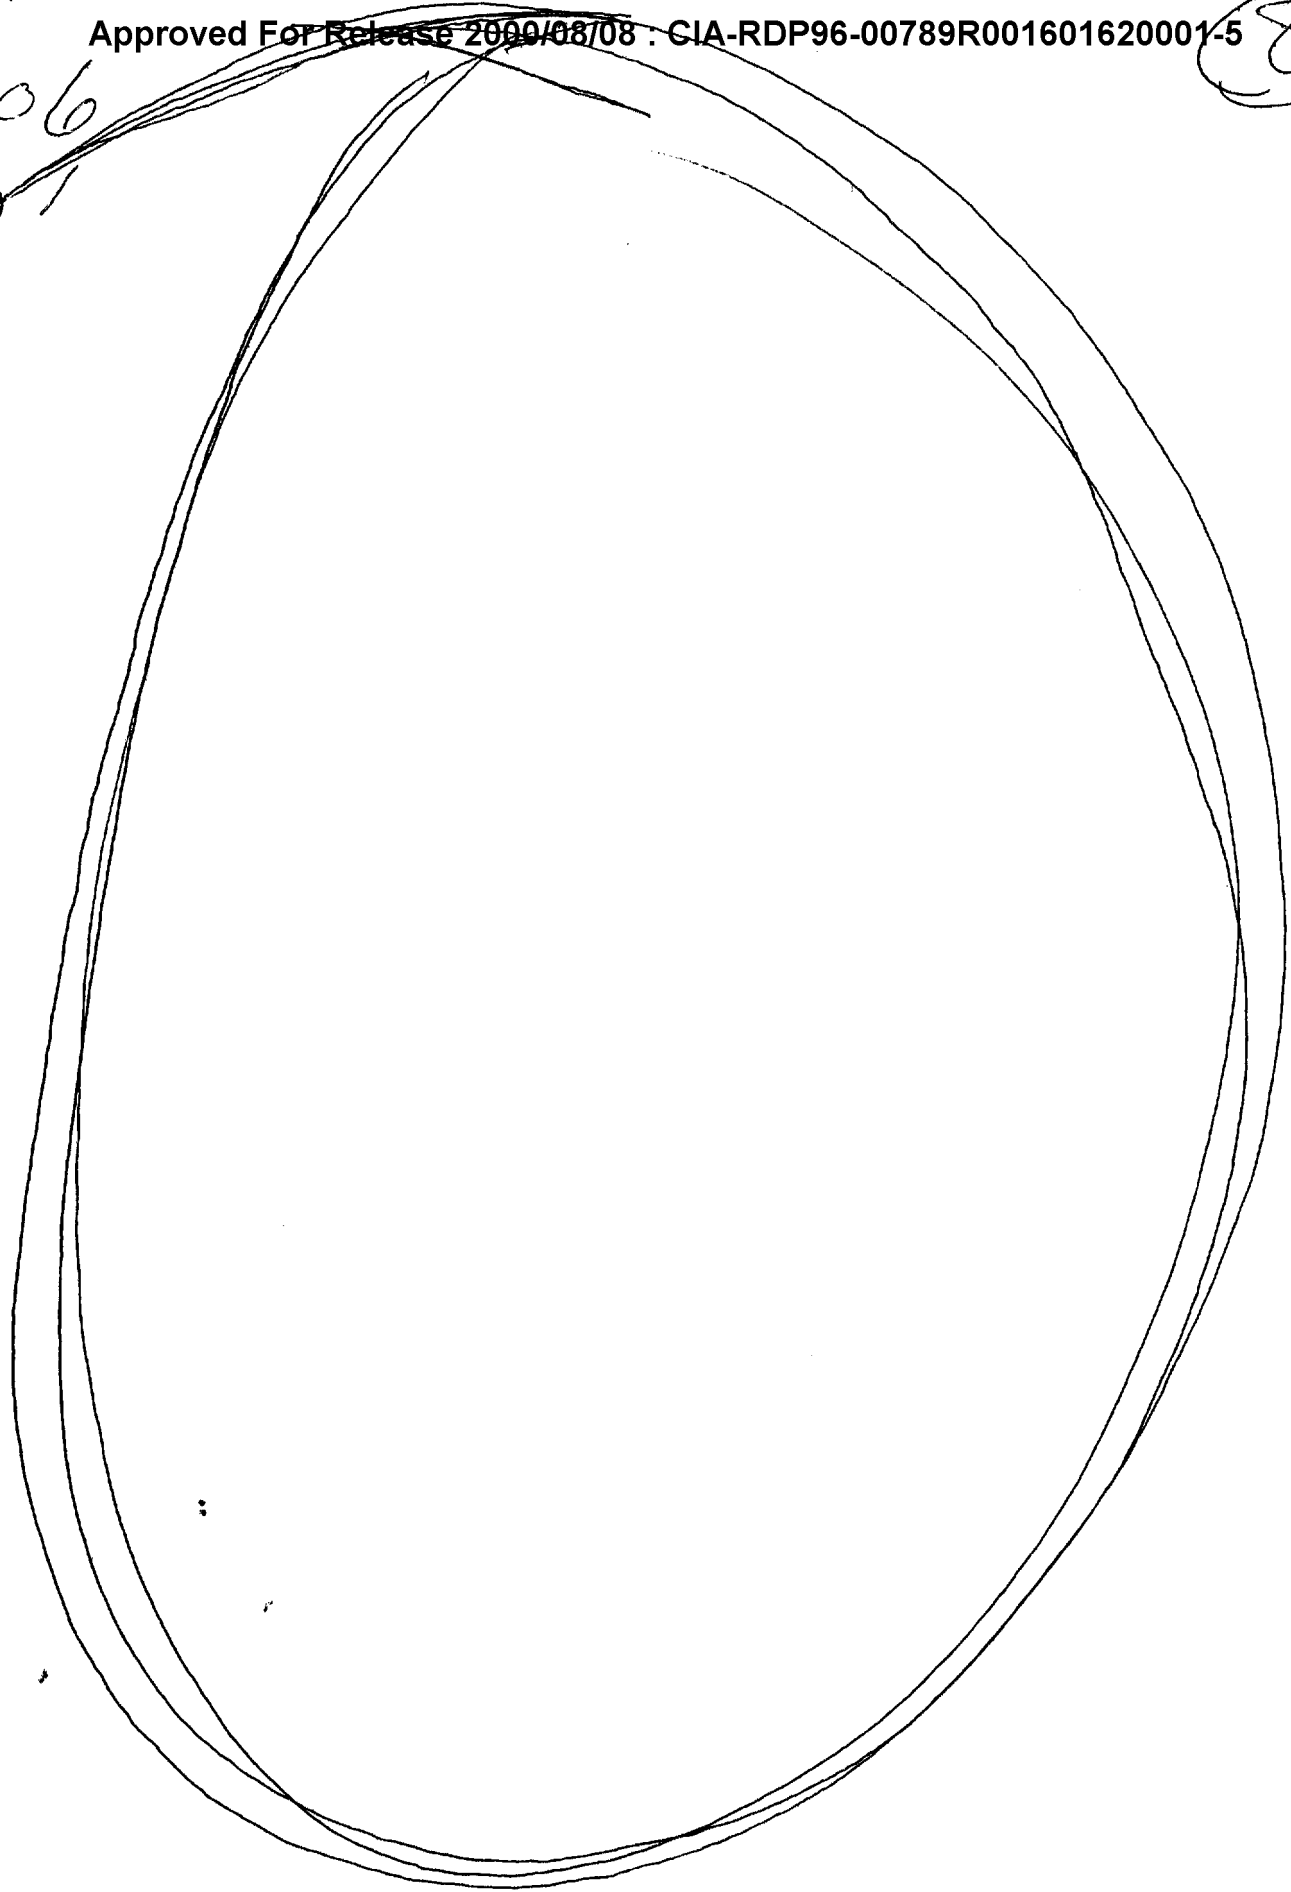

- rounding 4
- circuling 3
- going up 1
- coming down 2
- smooth 9 10
- light 12
- airy 13
- narrow
- flowing 7
- liquidity 6
- motion 8
- movement 9
- hard 11
- flowing ground
- coming across
- to cold
- foam
- blue
- green
- calm

connected somehow

AOL BK - I think theres  
other motion & movement  
here that is not  
connected to the water
