ALS  
of people in dark bulky clothes standing + walking  
around in snow, waiting, but also looking for  
something. All seem depressed. To their left rear  
is a group of buildings all fifty - some a  
neighborly each other. Don't seem to be dwellings -  
more like storage or low intensity industrial  
facilities, or maybe military-related structures.  
Area is open, but hemmed in by higher elevations  
(Hills) with ALS stands of straight dark trees.  
Much open space w/ low vegetation + snow -  
Reminds me of white sage flats in the high  
ranges of the Great Basin
