SITE 1. elite gaurd force.
double poild entry. large building
top of hill reminds me of
MORMON TEMPLE. CLEARED AREA
AROUND FENCE LINE THEN A
TREE LINE.

AREA 2, FARMING AREA, SOLID
MIDDLE CLASS. LARGE STRUCTURE
WITH LIKE A PALACE IN
FRONT OFF TO LEFT LARGE
AREA LIKE A PARKING LOT
WITH METAL OBJECTS LINED
UP. I DO NOT THINK METAL
OBJECTS ARE VEHICLES

AREA DIRECTLY BETWEEN
SITES 1 and 2 IS VIRGINIA
THERE IS BLACK EARTH HILLS,
Gulley, A SWAMP OR MARSH
VERY LARGE ROUGH HILLS. Some
PATHS AND ROADS LIKE LYNDEN

ROADS THAT DO NOT APPEAR

②

TO GO ANYWHERE. TO TRAVEL
THIS WAY WOULD REQUIRE 4
WHEEL DRIVE A MAP AND
A COMPANY.

A NOT TO BAD ROAD, HERE
CALLED MAIN ROAD, CONNECTS THE
TWO AREAS BY A ROUND
ABOUT MEANS (SEE SKETCH)

ON MAIN ROAD IN MARCH
1984 LONG LINES OF TRUCKS
CARRY TROOPS IN BACK, SOME
TARPS UP SOME DOWN.
VEHICLES MOVING VERY SLOWLY.
SOLDIERS TIRED, COLD. SOLDIERS,
NOT OF SAME QUALITY AS
ELITE GUARDS. SOME OTHER MILITARY
VEHICLES TRAVELING INTER SPACED
WITH TROOP CARRIERS.

1ST DAY, SUN SHINING

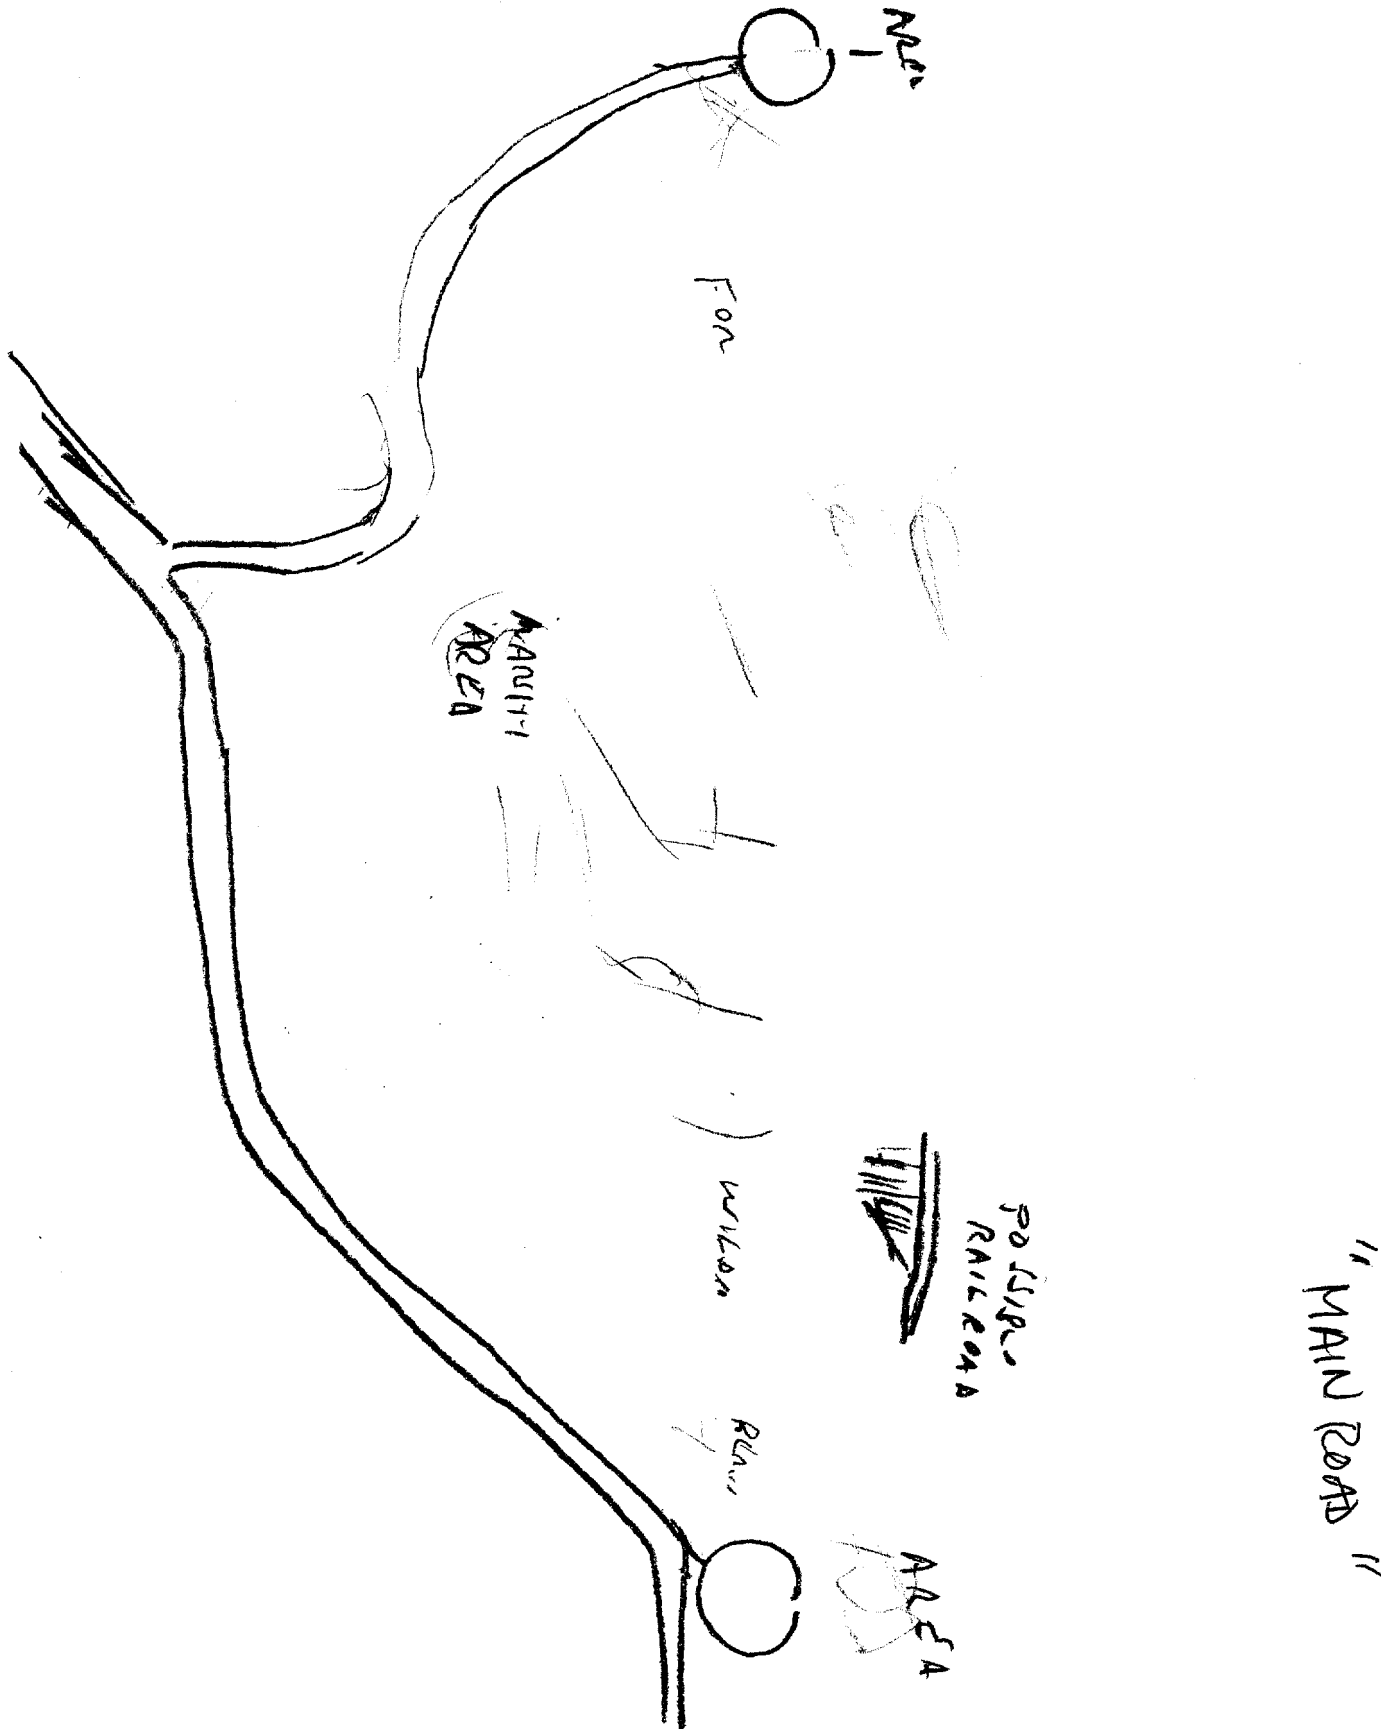

③

COLD. NOT MUCH TRAFFIC,
SEE 4 TO 6 MIN SPREAD
OUT ON BOTH SIDES OF
ROAD NEAR A TUNNEL.
ONE MAN HAS HAT AND
GOGGLES LIKE A TANKER.
THERE IS ONE VEHICLE HERE
BUT I CANNOT TELL IF
IT IS A TANK OR A
BULLDOZER.

2 DAY LONG LINE
OF VEHICLES, TROOPS IN BACK,
ALL CANVAS TAKEN OFF, TROOPS
ARE WARY, BUT COLD, VEHICLES
STOP, START, STOP, START, THERE
IS A LOUD NOISE AS BEARS
AS FRONT, AND A SMELL
OF EXHAUST FUMES. THE
TROOPS ARE WANDERING "AF/10 ANYONE"

IS IN CHARGE.

MORALE IS LOW. AND I DO
NOT SENSE A LOT OF PRIDE.
TROOPS ARE NOT AS SMART
AS ELITE GARRISON FORCE, AND
IN FACT MAY BE OF A
SLIGHTLY DIFFERENT RACIAL
STOCK
