B. SESSION SUMMARY: (Below, or see summary and worksheets attached)

The session produced very little information, and fewer feelings of confidence in the perceptions I did get.

- 1) Physically, the target person:
 - is male -----
 - is caucasian -----
 - is slender..... -----
 - with a slightly paunchy stomach..... -----
 - has dark hair..... -----
 - is wearing khakhi (tannish) colored clothes..... -----
 - AOLS: jungle hunter
 - military person
 - outdoorsman of some other type

- 2) Personally, the target person:
 - is very friendly..... -----
 - is authoritative..... -----
 - is respected by others..... -----
 - is not always fair in dealing with others..... -----
 - when stern, is very stern..... -----
 - when kind, is very kind..... -----
 - is philanthropic..... -----
 - smiles a lot..... -----
 - is very likeable, and well liked..... -----

is still "stand-offish" in close relationships.... -----

3) Additionally, the target person:

is standing..... -----
appears to be carrying something..... -----
is outdoors..... -----
appears to be in the woods..... -----
is a business man..... -----
appears to have lots of time for other pursuits... -----
has a position and mannerisms which make him
stand out from those around him..... -----
is looked up to by others who follow his orders/
lead..... -----

4) Other information gained:

The person's location appears to be in dappled
shade..... -----
The temperature appears to be mild to warm..... -----

NOTE 1: The session was finally called, due to strong AOL drive
that the target person either is, or is very much like
Emilio Escobar.

NOTE 2: A Stage 7 of "My conscience is clear!" appears to have been
either the result of or the cause of the AOL drive.
