Slender Build

He has heard only once <sup>in while</sup>

He occurs only once in a while

Staying in one place -

day time hotel

at one point in pass

there was much

action, movement

he was shoved around  
& pushed.irregularly in where he

was - but he has that

senses keen & hears very well  
nothing gets by him -  
but know when to get away

3) Something in family
