curving around
flat
soft
water

B - harbor/bay

To the West of the structure smoothly should be visible

W

A

W

From the base of the structure, south, should be visible

A- wavy down

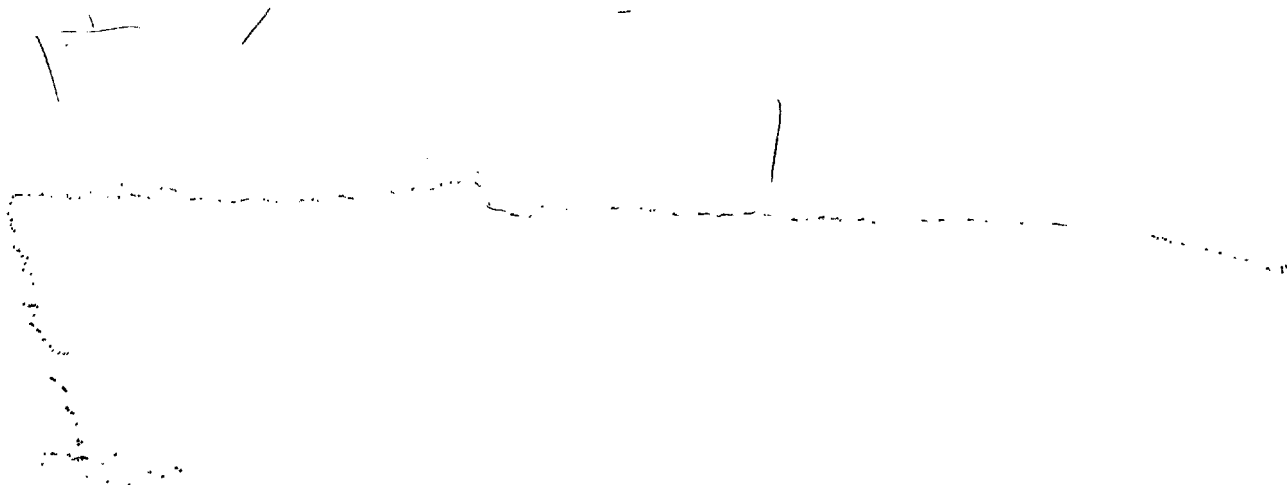

AOL - rope

~~FR~~
FROM 50' TO THE SOUTH

als - activities.
fishing - pretending to be fishing

als - tug boat shape

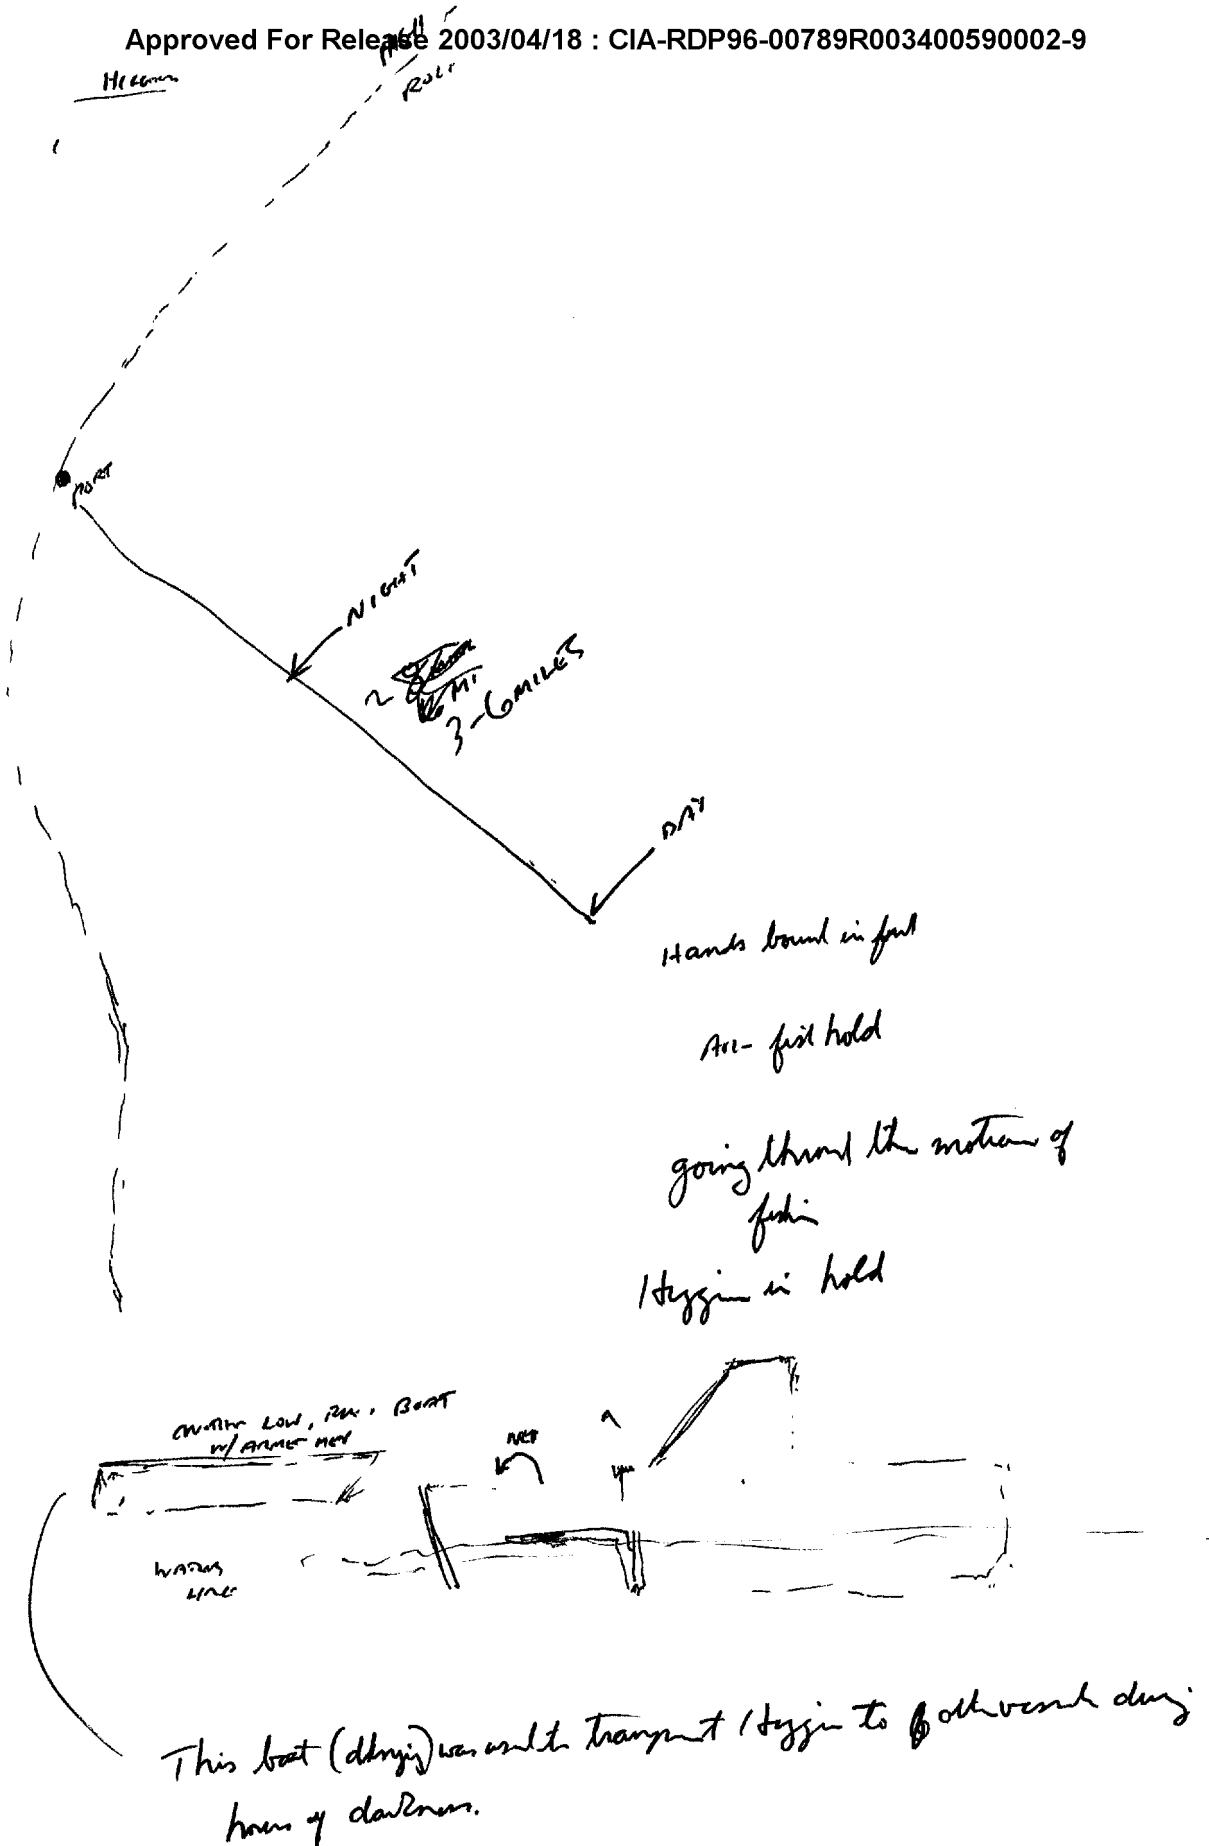

PROMINENT LANDMARK SHOULD BE VISIBLE

 *Body*
/ All channels marked

This boat (dory) was used to transport Higgins to both vessel during hours of darkness.

AOL - Sea of Galilee

People on deck (seems to be two, maybe three) only go thru the motions of fishing when approached. They are not producing a "haul" "catch" is in the vessel "held"
