SUMMARY OF INFORMATION

The target structure is a building located in a city with roads and water nearby. The concept of "registered/registration" is associated with the building. Personnel located "downstairs" in this building are involved in communications (a meeting). The notions of "bureaucracy and governments" are related to this activity. The purpose (of the meeting) is to develop, produce and pursue some sort of rebellious action.

SUMMARY OF INFORMATION

Building
A structure is located in a city with roads and water nearby.
This is a registered building which is constructed of simple
architecture. It has a *resilient* entrance way (safe engineering)
which follows through to a yellow and round center. *(hallway)*
Communications and *molding* are here. Downstairs in this building
are the underlying causes of present personnel. It is a
bureaucratic government building. Necessary *rebellious* actions
were taken on 4 April 1987 which were mission related (mars).
Something was developed, produced, and allowed for pursuit. A
piece has fallen (quantitative).

*Issue
