Vessel is a 40-50 ft Pleasure craft. It has a white hull + superstructure with wood-tone trim. Vessel has recently picked up contraband ~~the vessel transferred from~~ ~~air drop~~ out in the ocean less than 1 hr away (not sure if ^{lockers} surface transfer or air drop). Contraband is in storage lockers in the rear of the vessel along both starboard + port sides. Storage lockers have not very sophisticated (won't hold up to close inspection) false bottoms beneath which is the contraband. Contraband will not be off-loaded for 1-2 days.

Vessel is now docked in a wealthy marina (NFI).

The vessel captain (not owner) is a man in his late 40's early 50's, stocky build, graying hair, 5'6 - 5.9" tall. He usually wears a sandy blue short-sleeved ~~short~~ sport shirt (not Izod but that style) and white pants.

Assisting this man in this operation were 2 younger, seafarer-looking ^{both with longish} (brown-hair) men in their 30's. They don't normally work on this boat.

NAME OF VESSEL SOUNDS LIKE "CHRISTA"/"QUESTA".

It is A US Boat with US owner. + normally stays in the SANTA BARBARA ^{PT Concept cover} AREA.

LOCATION OF MARINA is not clear either highlighted area
