SUMMARY OF INFORMATION

There will be a sound of a blast from a barrel of a weapon to an ear. There will be a front rebellion by a furtive (secret) group against the future of Sodom Hussein. They could destroy him in two weeks. The followers of Hussein sacrifice him for the sake of service to the guard. The guard concerning, causes the rebellion vice which values the amount of people in Iraq. Fire that has a powerful smell burns during this time. Hussein will have power for approximately two weeks and then will die out. He will be replaced by a leader who is more lawfully abiding. The new leader will break the barrier, claim territories, and the crown of King Hussein. This leader will also demonstrate progress.
