PROJECT SUN STREAK

WARNING NOTICE: INTELLIGENCE SOURCES AND METHODS INVOLVED

PROJECT NUMBER: 8805	SESSION NUMBER: 3
DATE OF SESSION: 880317	DATE OF REPORT: 880318
START: 1330	END: 1430
METHODOLOGY: SRV	VIEWER IDENTIFIER: 011

1. (S/NF/SK) MISSION: Determine the nature and scope of an event(s) of singular importance and interest to the US. Prior to describing the event and its significance, access and describe the military forces, diplomatic activities, and sociological factors of the society (ies) involved in the event.

2. (S/NF/SK) VIEWER TASKING: Re-access the "material oriented" society (previously viewed on 2 Feb 88) associated with the target at coordinates 681001/ 187811. Examine the society in detail and provide information on the predominant religious and philosophical beliefs, and the traditions associated with these beliefs. How is this group related to the peaceful people described in the first two sessions?

3. (S/NF/SK) COMMENTS: No physical inclemencies noted. Viewer experienced very heavy overlay some of which he considers matching. Note the description he provides on page six of his session.

The dome structure is not in the same location as the many structures (see para. 1, viewer summary), however it is somehow related to the overall task.

Excellent use of AOT matches (see following summary) Highly accurate in determining details of

AOL MATCHING - getting some very heavy overlay. It seems to be the age old story of conquering a relatively peaceful people by military force. For reasons of greed and grandeur. Excuses given for such actions are righteousness and destiny. AOL - the Romans and the Jews, Custer and the Sioux and Hitler and any non-Aryan race. The feeling is to subjugate or eliminate.

SESSION SUMMARY

SG1J

SESSION: 14 MAR 88, 1330-1428

There is a land/water/structure interface. There seems to be many structures (AOL - Indian tipis). Also get a square structure with a pointed dome and a red and blue flag or banner. I can see a man on a horse in a blue uniform and white gauntlets pointing to the other side of a ravine or valley (AOL - cavalry, reminds me of a civil war cavalry uniform).

AOL - getting an overlay of the Civil War and Indian Wars
GENERAL GRANT and GENERAL CUSTER
