BACKGROUND:

The purpose of this collection effort is to describe the scope and nature of an event.

ESSENTIAL ELEMENTS OF INFORMATION:

Reference your 7 Jun 88 session on the event designated by coordinates 681001/ 187811. Go to the point of origin for the fire coming down from the sky. Describe. What causes the fire? Why? Follow and report on the chain of events that lead to the fire coming down on the ship. Who is involved and why? Where is the point of origin located with respect to the ship? Provide sketches in support of your viewing.
