- (S/NF/SK) TASKING: See attached target list and ~~original~~ site layout. Additional instructions for CRV-4: re. area #2, it is the second floor, (vs the first), that is designated as the target.
- (S/NF/SK) SESSION: Monitor 'front loaded' with CRV-1-4 session produced info. However, no (consciously) preconceived notions re. 2d floor (of area #2). Session began in SG with a review of source's previous work (CRV-3). Source located 2 distinct areas on the second floor, a "classroom type area" and a room with books/records. ~~Because of source's attraction~~ to the books (upon being instructed to search for "personally meaningful info"), remainder of session ~~was~~ was spent decoding that part of signal line.
- (S/NF/SK) SUMMARY: Two distinct areas were located on the second floor of Area #2. A "classroom type" room (blackboards w/ symbols on it) and a "library type" room containing many books. Source perceived
