BREAK — 0817 / BEGIN: 0824

Pg 8 250501/095323

Pg 9 Where would you like to go from here. How do feel you can gain more information.

Pg 10 The word/concept popped in out of structure - lets begin your stage IV by using that word as your key

Pg 10 Are you experiencing any confusion on this. (Yes). When you BEGIN again you need to move away from the concept of "object" and examine another channel which may help you start to understand this target.

Pg 10 Start a new page. - You should not have two matrices on the same page since the upper matrix, defacto, becomes your cue because of its position.
