person?

glasses scientist-like

sol brook
~~like a professor~~
~~or scientist~~

4 1/2 - this person is not very organized. thoughts and interests are bouncing around like a room full of ping-pong balls.

sol brook
reminds me of

SG1J

4 1/2 This person is the proverbial "absent-minded professor, the type of person that gets so engrossed in his thoughts that he blindly walks into walls. He prefers to dress in shades of browns and tans, very conservative. He wears glasses.
