LANDMARK

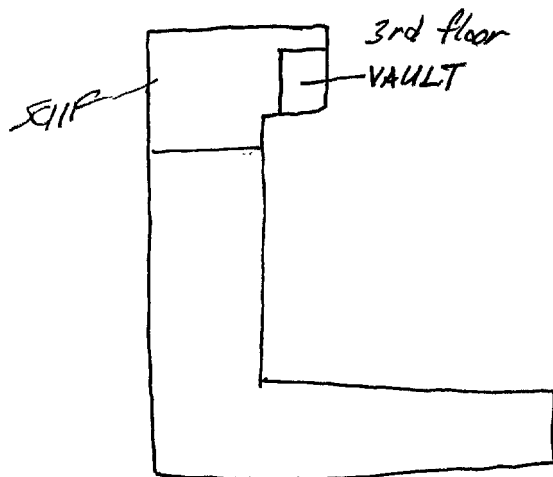

from the top of the building, something should be visible

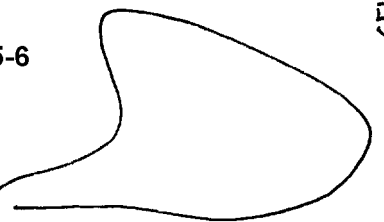

4 1/2 - there are many - feeling that this location is very close - and is connected with the U.S. intell community. Keep getting overlays of Wash D.C. area, but feel that the location is close to, or on Ft. Meade. - impressions of large multi-story, red brick bldg. LTC. Bugby pops into mind.

AOL/S? AOL/M?

Get the impression that this document may be located in a separate vault, within the SCIF on Ft. Meade

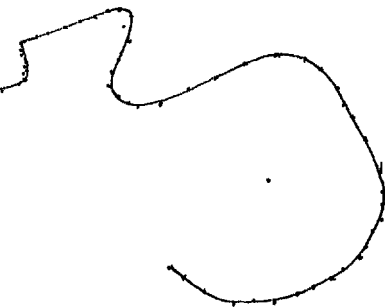

from the top of the building something should be marked
