metal

"like" hazy  
rocket  
nozzle

54 1/2

Impression is location of hazy metal construction is not far from  
original site. Impression of construction going up then  
sudden feeling of dropping in pit of stomach.

Comes back along ways away upon looking below water.  
Seems to go north. hazy atmosphere. High up  
before coming down. Curved earth. From dark side to  
light side & vice versa.
