- E. SESSION SUMMARY

President Clinton's reforms will cost the public far more than he anticipated.

President Clinton's meeting with Yeltsin will be unstable showing just how fragile the former Soviet Union is politically as well as economically.

A medical surge for funding aids will be as a result of a new found pill used to treat the disease.

Acts of nature include flooding in some areas within the U.S.

The middle eastern man responsible for the bombing of the World Trade Center will be positively identified.

Another major bank will go under forfeiting its rights to an alternative enterprise.
