- E. SESSION SUMMARY:

Site is outdoors and there is water. A structure is in front of the water. The structure is wide and white. The structure has openness to it. You can walk towards the back of the structure and go out into water. The site has a lot of colors which are blue, gold, white, yellow, gold and some green. The site also had darkness to it. It is peaceful at the site but it can get quite busy. People come to the site and feel positive. There were small objects in front of the structure. These small objects were decorative. In the past history of the site, the structure or the small decorative ornaments may have been torn down and then rebuilt.
