SG11 MEMO FOR: [REDACTED]  
SG11 FROM: [REDACTED]  
Emerging Programs Group, ORD  
SG11 SUBJECT: Request to Initiate Independent Contract with  
[REDACTED]

SG11 [REDACTED] I would like establish an independent contract with [REDACTED] so that ORD can specifically task him to facilitate transfer of a technical program (Star Gate) from another government agency to CIA. I have enclosed draft language with the specific tasking and a fee structure for this tasking. If tasking is not completed by 30 Sept. 1995, I anticipate renewing his contract for FY 1996 in order to complete the tasking.

Can you tell me what I need to do? Is there a bunch of boiler plate that goes with this? Thanks.
