## TOP FEDERAL CONTRACTORS

These are the top 50 federal contractors in fiscal 1984, based on the total value of their contracts. The total includes all domestic agency contracts worth more than \$10,000, and Defense Department contracts worth more than \$25,000. The figures are gathered by the Federal Procurement Data Center, a division of the General Services Administration.

CONTRACTOR	NUMBER OF PROCUREMENT ACTIONS	DOLLARS (In Thousands)
