

(NIC Procedure)

9 October 1981

MEMORANDUM FOR:

STAT

SUBJECT : Panels

1. I called Hal Ford this morning to confirm that Panel Members were agreeable to participating in NIC's ad hoc panels on interagency papers. I told him that we felt that no more than one SRP member should serve on any given panel. The specific suggestions he had made were entirely acceptable to us with a few exceptions to which Ford readily acceded.

2. Accordingly, the following changes should be made in the panels listed in Ford's 8 October memorandum:
