# Who's Who in the Carter Administration

EXCERPT:

## Central Intelligence Agency

Director—Stansfield Turner went from first in Jimmy Carter's class at Annapolis to commander of the NATO Mediterranean Fleet. He's been a winner all the way. But the boys out at Langley kept another admiral named Raborn from finding out what was going on and they may do the same to Turner.

Deputy Directors—Robert R. Bowie for national intelligence, E. Henry Knoche for Central Intelligence, and Admiral Daniel J. Murphy for the intelligence community.
