Dear Admiral Turner:

February 8, 1977

On behalf of FACE THE NATION, I would like to congratulate you on your designation to be the Director of the Central Intelligence Agency.

We hope that you will be our guest on FACE THE NATION at your earliest possible convenience. The precise program date can be discussed later. In any case, we very much want you to be on FACE THE NATION before you appear on any other network interview broadcast.

We have spoken with Andrew Falkiewicz, Public Information Officer at the CIA, and he has assured us that we were the first interview program to ask that the new CIA Director appear.

Thank you for your consideration. I will be in touch with you, but in the meantime, if you have any questions, please call me at 202-457-4481 (office) or 202-337-0076 (home).

Sincerely,

Joan S. Barone
Associate Producer
FACE THE NATION

Admiral Stansfield Turner
