Would love to do it, David. In fact, we just had a Sat night come open -- 18 Feb -- if that would work for all...

And, yes, Sec Panetta did make a bit of news! Nice that you were with him.

All best - Dave

Dave:

My colleague Ms. Quinn says you and Holly might be able to join me and Eve and Ben and Sally some night soon for dinner. We would love to offer you a simple, wholesome meal at our house. Is this possible for you, and what nights might be good? Sally and I will work around your schedule.

An interesting week traveling with Secy Panetta last week. No shortage of news!  
Hope to see you soon.  
David
