ACTIVITIES OF POSSIBLE INTEREST SCHEDULED FOR THE FALL OF 1968

The following items are either newly surfaced activities or are expanded details on activities which were listed in the six-page calendar of last week.

- September 27 Los Angeles - The Brown Berets and other Mexican-American organizations plan to demonstrate in front of Lincoln High School in support of Salvatore H. CASTRO. CASTRO was relieved of teaching duties in connection with student walkouts in March 1968.
- September 28 Chicago - A parade and rally is scheduled by area groups - approximately 6,000 persons expected - to protest the Democratic National Convention (DNC) police actions. The parade, one month after the INC, is to go down Michigan Avenue to Grant Park for the rally. A parade permit was requested but leaders say the march will take place with or without the permit.
- Sept. 28-29 St. Louis - The Washington University Chapter of SDS will host the Mid-West Regional Conference of SDS.
- September 30 New York City - Mark RUDD, one of the principal leaders of SDS at Columbia University, who has just left the city on a two-week speaking tour that will take him to Boston University, Harvard, Amherst, Yale, the University of California at Berkeley, and high schools in Los Angeles, will interrupt his tour to return to N. Y. C. on Monday for a pre-trial hearing in criminal court in connection with charges of inciting to riot and criminal trespass as a result of his role in last spring's Columbia uprising. RUDD is free on bail.
- October 1 Phoenix - Paul BOUTELLE, Socialist Workers Party candidate for Vice-President, is to speak at a rally.
- October 2 BOUTELLE is also to speak at an Arizona State University rally in Tempe, Arizona. The rallies will be

held as protests to the draft and the war in Vietnam. They are sponsored by the Arizona State University Committee to End the War in Vietnam, SDS, Youth Socialist Alliance, and the Phoenix Draft Resisters.

- October 1 Washington, D. C. - Tom HAYDEN (SDS) and Jerry RUBIN (Yippies) have been subpoenaed to appear before the HCUA. Both figured prominently in the DNC demonstrations.
- October 5 Ft. Dix, N. J. - An estimated 700 demonstrators will protest the detention of [REDACTED] who is being held awaiting a summary court-martial for distributing leaflets on the Post. Demonstrators will be carried by bus from N. Y. C. and Philadelphia and possibly from Rutgers University in Newark, N. J. The Student Mobilization Committee is sponsoring the demonstration to put pressure on the military and to promote the idea that the GI's right to freedom of speech is such as should be protected as would that of a civilian. Approximately one week before the demonstration, SMC members will be on the Post to distribute leaflets in the hope that they will generate more interest in the military population. The demonstration is intended to be peaceful in nature and last about an hour.
- Oct. 5-6 Tuscaloosa, Alabama - The United Klans of America plans to hold a National Klouocation - probably to elect new officials and to plan future activities.
- Oct. 5-6 Minneapolis, Minnesota - A national conference has been called by the New Democratic Coalition - purportedly in an effort to achieve coordination and common purpose among anti-administration Democrats. It will focus attention on consolidation of these forces within the Democratic Party and the mapping of strategy for 1969, 1970, and 1972.
- Oct. 12-15 Boulder, Colorado - An SDS National Council meeting is still scheduled at the University of Colorado. It has been estimated that 400-600 persons will attend.
- Oct. 12 San Francisco - A "March for Peace" proposed for men presently in uniform and veterans of former wars and scheduled to start in the Panhandle of Golden Gate Park and proceed to the Civic Center Plaza is apparently of concern to the Pentagon. Three Hamilton Air Force Base men this week charged they were being transferred to prevent their participation in the march. Air Force [REDACTED] one of

the organizers of the march told a press conference that he has been ordered transferred to Taiwan September 26 to prevent his participation in this protest against the war in Vietnam. He made public what purported to be an Air Force teletype message from the Pentagon which said in part that the Air Force command "strongly believes this demonstration should be quashed if possible because of possible severe impact on military discipline throughout the services..."

October 27

Baltimore, Maryland - The trial of nine persons for the destruction of Selective Service records in Caytonville, Maryland, will begin. The group includes Frs. Daniel and Philip BERRIGAN, both Jesuit priests; Thomas and Marjorie MELVILLE, formerly a Maryknoll priest and nun who resigned their orders and married following service in Guatemala during which they were active in support of anti-government dissidents.

November 25

The meeting of Communist and Workers Parties scheduled to open in Moscow; this date has been reported to be under consideration by the Soviet Union for possible postponement in the belief that, in view of the Czechoslovakian problem, the conference goal of a display of Communist unity would not be served at this time. The meeting, a Soviet idea of many years standing, was designed to demonstrate that despite the Soviet-Chinese split, there continued to exist a strong and united world Communist movement whose principal center is Moscow.

Nov. 29 - Dec. 1

A Hemispheric Conference to End the War in Vietnam will apparently meet in Montreal to develop coordination against U. S. intervention in Vietnam and the Americas. This meeting had earlier been indicated for 12-14 October. A planning meeting was held in Montreal on 7-8 September.

December 2

Bel Air, Maryland - The trial of H. Ray BROWN on charges of arson and inciting to riot in Cambridge, Maryland, has been scheduled with Judge Harry E. DWYER, presiding.

Dec. 13

New York City - The National Emergency Civil Liberties Committee annual Bill of Rights dinner is scheduled for the Americana Hotel. The NECLC is the old ECLC rejuvenated with a new name. The old ECLC was cited as a Communist Front in 1956 by the Senate Internal Security Subcommittee and in 1959 by HCUA. Featured speakers will be: Dr. Benjamin SPOCK and Dick GREGORY.

Corliss LAMONT is chairman of NECLC.

April 1969 The 12th Annual Convention of the CPUSA has been scheduled for this time.
