Dear

I find it necessary to write again in the interest of the work. You contacted a friend in Washington about the proposition which I made but up to the present moment no one has gotten in touch with me. If we do not begin the preparatory work next month, at the latest, we shall not be able to carry out the plan during the coming summer in spite of my desire to do so. I am asking you, therefore, to transmit the above to your friend in Washington, and to let me know whether I should wait longer. Perhaps Washington does not intend to undertake any action of this nature at the present time.

Because of this project, I have neglected my other duties. If nothing is to be done, I would like to renew my activities here and in the U.S. and to make the tour I have been planning. I would like to come to the U.S. soon, to visit a number of cities, to hold meetings of our supporters and to speak to our immigrants.

Please let me know what I should do. If the project is to be postponed, please tell your friend about my plans to visit the U.S. and ask him to help in case there are obstacles to my coming. Of course, I shall ask for a visa in the regular way.

Awaiting your reply, I am

Sincerely,

Dr. Iv. Docheff
