TRANSLATION OF LETTER FROM DR. IVAN DOCHEV

Chicago 20 July 1954

I met Mrs. FRAISER from the Committee for Free Europe. I am writing you because I know you are interested.

The conversation was along the Rollowing lines:

- What objections do we have against the quality of Radio delivery (presentation) about which we expressed dissastisfaction.
- 2) Would it be possible for the Bulgarian Emigration, with the cooperation of the Cogmittee, to form a Bulgarian Liberation Committee, backed by the entire emigration (literally: behind whom there would be amassed the entire emigration).

Just as <u>Mr. FRAZIER</u> stated previously, he isn't the only only one who can (that he, alone can not) solve this question, I expressed myself, only generally and asked mr. FRAZIER to arrange a meeting of all people upon whom the decision depends. I want to declare myself concretely before all these people. Mr. FRAZIER committed himself, after my repeated request, eventually to come to New Y^Ork, if I notified him 2-3 days in advance, to organize a meeting with me, of all those people from the Committee for Free Europe, who are authorized and qualified to solve the question in order that I may declare myself before them conscretely.
