Enclosed I am sending you a copy of the Bulgarian People's Voice which I put out for the 9th of September. Thanks for your help. I hope that we will be able to continue successfully that which we have begun.

On 4 September, our conference will take place here and I can say now that we will achieve the result which we desire. On the following day, 5 September, there will be a protest meeting which will definitely have results.

After that I am at your disposal for a meeting and for continuing our work. It would be best if the meeting can take place soon so that we will not lose any time. I am ready and require only your notification. Accept my sincere greetings,

Yours,

Dr. Ivan Dochev.
