SUBJECT: Documents passed to Olson family not previously forwarded to Senat  
Select Committee

Response:

Attached are the documents declassified by Mr. Colby on 24 July 1975--in  
sanitized form--for passage to the Olson family. Some of them were inadverten-  
tly omitted from a similar collection of documents forwarded to the SSC on or about  
25 July 1975. They are forwarded now in response to a verbal request by Mr.  
Elliott Maxwell on 6 August 1975. The first two documents in the package were  
forwarded to the Olson family subsequent to transmission of the main package.
