MEMORANDUM FOR: [redacted]

Also attached is an "overview" paper that reports 1970 activity to and Allende's chance of election but, however, supporting either of the two non-"left" candidates. After the election CIA conducted actions "to prevent the accession of Allende," including providing weapons to instigate an uprising. This is in direct conflict to testimony [redacted] gave before Congress. I think [redacted] tells you that Warner has a copy and has been told that you have a copy. He has not yet [redacted] showing it to [redacted] (DATE) 26 Sept 1971
