1. Reference is made to your memorandum of 8 June 1951, and to your oral inquiry of 9 October 1953, both subject as above. Our records indicate that Ellie KISLER, first wife of Subject, was not located and interviewed as requested in reference memorandum, and our records fail to reflect that you were so notified.
2. Should any information have come to your attention since date of referenced memorandum which would renew the need for such an interview, and which would aid in the location of Ellie KISLER, this Agency will initiate appropriate [REDACTED] investigation.
