ACTION REQUIRED - REFERENCES
 ODIYOKE

Reference: DIR-15032

1. The attached report was given to AMBUD-1 by Mr. Hurwitch the latter part of January 1963. It has been shown and explained to the Brigade leaders by ODACID officials and by [redacted] and comments of these leaders have been requested.

2. Headquarters will note the lists which appear at the beginning of this report concerning the Brigade "missing" and "killed." AMBUD-1 does not know why these lists were included in subject document since they bear no direct relationship to the proposals. The first list, that of the "missing" Brigade leaders, is identical to the list forwarded to JMWAVE in reference. The second list, that of the "killed" of the Brigade corresponds to the request also forwarded in reference. However, the Station does not know from what list or whose list these names were taken. The Station would appreciate being informed as to whether these names were supplied by Headquarters in order that we can better estimate the accuracy of these lists.
