Bolivia

[REDACTED] newly elected President Gueiler is expected to announce her "national unity" Cabinet today. [REDACTED]

[REDACTED] the new Finance Minister will be Augusto Cuadros Sanchez, who has had experience in that post and whose generally conservative fiscal policies should help in confronting the country's critical economic situation. Bolivia's banks remain closed indefinitely, but [REDACTED]

[REDACTED] the country is otherwise rapidly returning to normal now that the state of siege has officially been lifted by the new government. [REDACTED]
