ALLEN DULLES, Esq., Director,
Central Intelligence Agency,
2430 E Street, Northwest,
Washington, D. C.

Dear Allen,

I have a dinner every year for
the people I work for. This year it is
to be on April 18th at 7:30 at The Links,
36 East 62nd Street, New York.

There is no agenda except food,
drink and whatever subject the spirit
moves someone to start.

There will be about a dozen -
Price of Westinghouse, Pusey of Harvard,
McCollum of Continental Oil, Gardner of
Carnegie Corporation, etc.

I don't think it would raise
any more questions if you came to this
dinner than it does when you go to the
White House dinner for the Crusade.

And I hope very much you will
come.

As ever,

(Signature)

Black Tie.
