CIA HISTORICAL REVIEW PROGRAM
RELEASE AS SANITIZED
1999

~~SECRET~~

12 June 1963

The value of Bloc military assistance to the underdeveloped countries (Table I) includes equipment, technicians, the physical infra-structure associated with military installations. Discounts provided by the Bloc are not reflected in the values given.

The detailed breakdown of equipment delivered (Table II) is compiled largely from very sensitive sources and should be used with caution in briefing at a Secret level.
