SUBJECT : Intention of Cuban Exile Group to Operate Out of Miami

1.

[REDACTED]

[REDACTED] are members of an anti-Castro exile group which intends to start independent operations out of Miami. The group reportedly has obtained large sums of money for its operation from Dr. Rolando MASFERRER Rojas, leader of the anti-Castro organization Un Rifle Cada Cubano (URCC - One Rifle for Each Cuban) and former Cuban senator during the Batista regime, however, it is believed that the former president of Cuba, Fulgencia BATISTA, is actually responsible for backing the group with his money.
