C/Q

Suggest we let the Lomenis deal proceed as planned and if necessary have Rubs enter picture after this ground work laid on - should it be necessary and/or desirable at that time.

- D.R. angle - believe we should green whether Mic. Amb. had been approached as requested, if so, then thru him ask that either [] send ~~an~~ ^a cable to his Amb. in D.R. making proposal or a special envoy. Their suggestion of having [] make personal bid to [] is quite good - he'd probably do so by radio-telephone thus telling the world

- Appreciate your propagation suggested course of action.
