Chief of Station, Guatemala

LINCOLN

K-Program
SWALLOW

ATTN: Graham L. PAGE

1. Attached for your further information on SWALLOW are extracts of investigative reports based on checks which were conducted at all pertinent national agencies, and KUBARK and Records Division indices. All were reported negative except G-2, OBIDEX and Records Division files. Please be informed that the cut portions of the attachment are file references and have been removed in compliance with KUSODA regulations.

2. Attached also is a copy of [] 0965, which Graham L. PAGE may not have seen.
