SPECIFIC List of Guatemala Communists

RYBAT/PBSUCCESS

1. Attachment is master list of Guatemalan Communists, suspected Communists, Pro-Communist or Communist sympathisers, which is being distributed to control points throughout the Western Hemisphere and Europe.

2. It is anticipated that these persons will soon leave Guatemala to scatter throughout the Western Hemisphere fomenting trouble and agitation for the cause of International Communism.

3. It is most important that Headquarters be advised of their movements whenever they passthrough or near your area so that their plans and machinations may be charted and frustrated whenever possible.

4. [] in the Caribbean Area has a copy of the attachment.

5. Request you arrange distribution of the additional copy to [] authorities soonest and convey our request that they inform us through you whenever any of the listed Communists travel through or enter into their area.
