: HEADQUARTERS, PBSUCCESS

: LINCOLN

- Support Material
- Passive Resistance

REF: HULW - 212

1. LINCOLN appreciates headquarters' efforts in attempting to fulfill a difficult request for support.

2. The material you have already sent is being utilized at the present time.

3. We believe that scripts of the RIAS broadcast would be extremely valuable to LINCOLN within the next few weeks. Please continue your efforts to secure a selection of the broadcasts in whatever language in which they are available. English or Spanish is preferred.
