MEMORANDUM FOR: Mr. Frank G. Wisner
VIA: Chief, WHD
SUBJECT: Performance of U.S. Army Mission and Military
Attaché in Guatemala.
REFERENCE: ~~SECRET~~ Mr. Frank G. Wisner's letter of 11 August 1954.

1. With respect to the performance of the U.S. Army Mission in Guatemala during the period from about 1 March to 31 July 1954, I can add very little since my contact with that mission was extremely limited. I did have occasional contact with Colonel Thomas Hanford, the former Chief of the Military Mission, and in all cases found him very desirous of aiding but unable to give much information, apparently because the Guatemalan Army officers seemed to be unwilling or afraid to associate with him. Colonel HANFORD, however, seemed to be well liked personally and highly regarded by those Army officers with whom I have conversed since his departure.

2. I know that the Ambassador was not satisfied with the intelligence which he received, but I believe that he was also of the opinion that circumstances beyond the control of Colonel Hanford decisively influenced his apparent inability to produce valuable intelligence information.
