Deputy Director for National Foreign Assessment

21 JAN 1980

NOTE FOR: The Honorable Ralph Earle, II
Director
US Arms Control and Disarmament
Agency

Ralph

The Interagency Intelligence Memorandum,
"The 22 September 1979 Event," (attached) was
prepared in response to a request of the NSC.
Its conclusions rest largely on circumstantial
evidence and on the assumption that there was
a nuclear explosion on 22 September 1979: (C)
