APPROVED FOR RELEASE
DATE: AUG 2004

To: 7408.

Memo No. 428.

From: 7404/7417.

18th December, 1944.

CRREP 32

Under separate cover (HG.614) we are sending you a sample tin marked C.32/1 under the above-mentioned operation.

This consignment will comprise a total of 4,000 lbs. of plastic H.Q. packed in watertight tins, each containing 18 lbs. net and enclosed in khaki canvas bags.

H.Q. would be interested in having your comments on this new pack, which is being adopted with a view to facilitating the transfer of stores in bad weather at sea.

D. 751 27.11.44 Para 2.
