A. FAGGOT and Danish local requirements up to end of August are as follows:

A = 42
B = 34
C = 32
D = 3
E = 40
F = 5 boxes
G = 20

B. This takes into consideration amounts not yet delivered on original order and amounts needed periodically to top up float.

C. Impossible for us this end to estimate CREEP requirements. We are able to handle as much CREEP material as you can send provided quantities within reasonable limits so as not to attract attention of Swedish authorities at airport, etc. You alone are in position to judge requirements of field which CREEP operations are intended to cater for.
