Reference: F-2007-01322

Dear Mr. Bentley:

This is a final response to your 8 May 2007 Freedom of Information Act (FOIA) request for **“all declassified CIA documents in [our] database that relate to General Georgy Georgievich Rogozin that were released to other requesters.”** For identification purposes, we have assigned your request the number referenced above.

Our records show that you submitted a previous request for the same information on 27 September 2000 (F-2000-02061). However, we conducted a search of our database of previously released records that contains copies of documents released over the years to thousands of other FOIA requesters. Searches of this database, containing over 500,000 pages, can be accomplished expeditiously (since no review is required) and at little or no charge. No records responsive to your request were located.

We regret that we could not be of further assistance with your request.

Sincerely,

A large, irregular white box representing a redacted signature.
