FOIA REQUEST

Dear FOI Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of any and all presently existing documents pertaining to, addressing or otherwise regarding the Best Buy located at 2020 W Grand River Ave, Okemos, MI 48864, United States of America.

I would like to receive the information in electronic format. (CD-ROM.)

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$40. However, please notify me prior to your incurring any expenses in excess of that amount.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

I look forward to your reply within 20 business days, as the statute requires.

Thank you for your assistance.

Perjury Statement:

Under Penalty of perjury, I hereby declare that I am the person named above and I understand that any falsification of this statement is punishable under the provisions of Title 18, United States Code (U.S.C.), Section 1001 by a fine of not more than \$10,000 or by imprisonment of not more than five years, or both; and that requesting or obtaining any record(s) under false pretenses is punishable under the provisions of Title 5, U.S.C., Section 552a(i)(3) as a misdemeanor and by a fine of not more than \$5,000.

Signature _____

Date 1-24-09

Sincerely,

Matthew Scott Breay

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. This is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. This includes both qualitative and quantitative approaches, as well as the use of advanced statistical tools and software.

3. The third part of the document focuses on the interpretation and application of the results. This involves identifying key trends, patterns, and insights that can inform decision-making and strategic planning.

4. The fourth part of the document discusses the challenges and limitations of the research process. This includes issues such as data quality, sample bias, and the complexity of interpreting results in a real-world context.

5. The fifth part of the document provides a summary of the findings and conclusions. This highlights the main takeaways from the study and offers recommendations for future research and practice.
