

C O P Y

January 19, 1928

TO WHOM IT MAY CONCERN:

I am informed that John V. Grombach, formerly Second Lieutenant, 16th Infantry, United States Army, is desirous of joining a regiment of the New York National Guard and I take great pleasure in recommending Lieutenant Grombach to the favorable consideration of the regimental commander.

I was associated fairly intimately with the Lieutenant during his service at Governors Island and found him to be a fine athlete and loyal and willing officer.

Mr. Grombach left the service with the intention of getting married and to accept an excellent position in civil life and at the time of his resignation was in excellent standing in the military service.
