August 12, 1942

Major Lawrence Lowman
Office of Strategic Services
Building G
Washington, D. C.

Dear Major Lowman:

I would greatly appreciate, as per my request, if you will mail the F.C.C. files and data, which make a considerable package, direct to the F.C.C., 1424 K Street, N.W., Attention Mr. Graves.

With regard to the duplicate set of active frequency files, the last sentence of your letter of August 11 indicates that you have forgotten that this duplicate file is already made up and that there is no further work required on the part of your organization.

Sincerely,

JOHN V. FROMBACH
Lt. Colonel, Infantry
