

THE WHITE HOUSE
WASHINGTON

November 8, 1962

Dear Mr. Lundahl:

While I would like to make public the truly outstanding accomplishments of the National Photographic Interpretation Center, I realize that the anonymity of an organization of your high professional competence in the intelligence field must be maintained.

I do want you and your people to know of my very deep appreciation for the tremendous task you are performing under most trying circumstances. The analysis and interpretation of the Cuban photography and the reporting of your findings promptly and succinctly to me and to my principal policy advisers, most particularly the Secretary of State and the Secretary of Defense, has been exemplary.

You have my thanks and the thanks of your government for a very remarkable performance of duty and my personal commendation goes to all of you.

Sincerely,

Mr. Arthur C. Lundahl
Director
National Photographic Interpretation Center
